

ABOUT THE BOOK

- Main character: Anne Elliot, a reserved and intelligent young woman
- Eight years prior, she rejected a marriage proposal from a naval officer named Frederick Wentworth
- Captain Wentworth returns, giving Anne a second chance to reevaluate her decision and consider reigniting their love
- Themes: love, class, age, consequences of past decisions
- Critique of societal norms and expectations
- Celebration of the enduring power of love and personal growth
- Considered one of Jane Austen's most mature and moving works
- A classic of English literature

JANE AUSTEN

- English novelist (1775–1817).
- Born in Hampshire, England, one of eight children.
- Considered one of the greatest writers in English literature.
- Known for wit, social commentary, and brilliant characterizations.
- Wrote six major novels: "Sense and Sensibility," "Pride and Prejudice," "Mansfield Park," "Emma," "Northanger Abbey," and "Persuasion."
- Published anonymously during her lifetime.
- Pioneer of the modern novel.
- Brought the English novel out of the realm of the gothic and into a more realistic and relatable world.
- Known for intricate plots, dynamic characters, and sharp social commentary.
- Lived a quiet life, never married, lived with her family.
- Regarded as one of the greatest writers in the English language.
- Celebrated and studied worldwide.

PERSUASION MOVIES

- Adaptations of "Persuasion" have been made for both film and television.
- The story and themes of the novel have been adapted multiple times over the years.
- The adaptations vary in terms of their faithfulness to the original text and their approach to the story.
- Some adaptations have received critical acclaim, while others have received mixed reviews.
- Fans of the novel often have strong opinions about the various adaptations and which ones best capture the spirit of the original work.
